

GERTZ-RESSLER HIGH SCHOOL

COMPACT FOR PARENTS, STUDENTS AND STAFF RESPONSIBILITY AND ACCOUNTABILITY FOR COMMITMENT TO COLLEGE READINESS

All students have a right to and deserve a rigorous quality educational experience that enables them to meet graduation requirements and be ready for successful college entrance. Gertz-Ressler High school community firmly believes that all students can and will achieve when there is a collaborative effort between staff, administrators, parents and students whereby each group clearly understands expectations and accepts responsibility for the successful education and college preparation of each individual student.

Therefore, Gertz-Ressler High School community agrees to provide and maintain a learning environment in which:

Gertz Ressler Staff will:

- Understand and teach grade level/course curriculum based on the California State Standards and A – G college preparation courses.
- Assign relevant individual and team student projects and communicate with parents regarding student academic and social progress.
- Be in regular attendance and encourage students to achieve a 95% attendance rate.
- Communicate Gertz-Ressler policies to students and parents regarding discipline, homework, attendance, grade level/subject area expectations, A – G course and college entrance requirements.
- Work to meet the individual needs of students in ongoing advisory counseling, coursework and college entrance preparation, assist in development and semester review of each student's Gertz-Ressler Learning Plan
- Maintain accurate records of student academic performance and behavior
- Provide a safe, clean, positive, and peaceful school environment that supports student learning and personalized teaching.
